No experience required

Hands-on training

Trade skills

Future growth path

Role Overview

This opportunity is designed for applicants who may not have roofing experience yet but are dependable, willing to learn, and interested in gaining real-world trade experience through preparation, cleanup, material handling, safety routines, roofing workflow, and job-site observation.

Primary Responsibilities

- ✓ Learn roofing basics from experienced crew members and project leads.
- ✓ Assist with preparation, cleanup, material movement, and job-site support.
- ✓ Participate in safety, tool, and workflow expectations.
- ✓ Build practical skills in roofing, construction, and customer service.
- ✓ Support residential and commercial roofing projects as directed.

Applicant Requirements

- ✓ No prior roofing experience required.
- ✓ Must be dependable, respectful, and willing to learn.
- ✓ Positive attitude and ability to follow directions.
- ✓ Comfortable working outdoors and around active job sites.
- ✓ Interest in building a future in roofing, trades, or contracting.

Submit interest at regalroofingsystems.com/careers and select Roofing Apprentice.
