Role Overview

The general applicant pool allows Regal Roofing Systems to review interested applicants even when a specific opening may not be immediately available. Applicants may be considered for roofing crew support, apprentice training, cleanup support, material handling, project assistance, or future contractor development opportunities.

Primary Responsibilities

- ✓ Submit contact information, work history, and areas of interest.
- ✓ Share roofing, construction, labor, customer service, or training experience.
- ✓ Identify availability, location, transportation status, and preferred work type.
- ✓ Stay available for future opportunities based on business needs.
- ✓ Represent Regal Roofing Systems with professionalism if selected.

Applicant Requirements

- ✓ Reliable communication and respectful attitude.
- ✓ Willingness to work, learn, and follow safety expectations.
- ✓ Availability for current or future opportunities as needed.
- ✓ Ability to work with crews, customers, and active job sites.
- ✓ Interest in roofing, construction, trades, or contractor development.
